

Chapel Hill Elementary School

Welcome to the 2019-2020 School Year

Nancy Hill, Principal

Julia Olmedo, Assistant Principal

Dear Friends and Families of Chapel Hill Elementary School,
I hope that you are having a wonderful summer!

As the newly appointed principal of Chapel Hill Elementary School, I am thrilled to have had the opportunity over the summer to meet many staff members, parents, students, and community members. I come to Chapel Hill Elementary School with 22 years of experience in Baltimore County Public Schools. For the past four years I have been the principal of Grange Elementary School. I was the assistant principal of Seneca Elementary for 7 years prior to my principalship at Grange Elementary School.

I am the proud parent of two grown daughters, Samantha and Amanda., who had both attended Baltimore County Public Schools.

This is an exciting time in BCPS as the county welcomes a new superintendent, Dr. Daryll Williams. As this transition occurs, Chapel Hill Elementary School will continue to become a School of Literacy where reading and writing across the curriculum happens daily in our school. At Chapel Hill Elementary we will spend this year continuing the great work that has been done in previous years by implementing best instructional practices that will help all students meet grade level standards and beyond. Throughout the school year, we will share with families how you can help support our children in and out of school in our efforts to make all our students globally competitive.

The teachers, staff, students, and families of Chapel Hill Elementary School have much to celebrate as we look at the progress that is being made each year in our school. These successes would not happen without your continued support of the instructional program. Thank you for sending your students to school each day, on time, and ready to learn!

I look forward to meeting everyone at Back to School Night! My door is always open. Please contact me if you have any questions or if I can support you or your child in any way at Nhill2@bcps.org or 410-887-5119.

We will be communicating in numerous ways to the Chapel Hill Elementary community. Every Sunday evening the primary number listed on the Emergency Contact form will receive a weekly message from the principal/designee stating the upcoming events of the week.

Every Thursday, each student will bring home a Parent-Teacher Communication Folder. On the left side will be papers that need to be filled out and signed by a parent/guardian and returned to school. On the right side will be papers that can stay home. Please take the time to go through all papers in the folder.

The first Thursday of the month, [Chapel Hill Chatter](#), (The school newsletter) will be emailed and available on our CHES website— chapelhilles.bcps.org. It will have dates of all school wide activities for the month listed as well as school and PTA information. If you need a hard copy of the newsletter, please call the school office at 410-887-5119 with your request.

I look forward to working with the Chapel Hill Community this school year!

IMPORTANT DATES:

Labor Day– Monday, September 2, 2019

School opens Tuesday, September 3, 2019 at 8:35 am.
Teacher and room assignments are listed below on this newsletter.

In this envelope you will find three very important forms (Annual Student Information Review, Transportation, and Discretionary Medicine forms) in addition to other important informational documents. Please make sure to return the forms to your child's teacher asap.
